Glory House of Miami is a 501(c) 3 non-profit organization.

Open the door to a new life for
**the survivors of
sex trafficking**

About Us

Glory House of Miami was founded in August 2011 by a group of women of faith who are concerned about the fast-growing industry of sex trafficking in Miami. The exploitation of young women as sexual slaves has increased dramatically in the past few years, creating a vast negative impact on our community. We hope to spread awareness about sex trafficking to help reduce the amount of young women who enter this danger cycle while assisting the survivors.

Our goal is to provide a safe environment where survivors ages 18 – 25 can heal and achieve fulfillment. Through the creation of a dedicated home, we hope to touch their lives in the name of Jesus, and provide a safe haven where they can repair and restore their lives. We will provide them with emotional and physical help and see them fulfill their dreams.

So then, as we have
the opportunity,
let us do good to
everyone, and
especially those who
are of the household
of faith.

Galatians 6:10

Support

We intend to establish a long term safe house (18 – 24 months) where these women can get their lives back on track. Glory House of Miami will offer survivors a safe haven where they can heal in protection from the cycle of slavery and sexual abuse, and begin their lives in faith.

To achieve this goal we need contributions from concerned organizations and caring individuals in our community to make this house a reality and to be able to provide the services they need.
